

THE INDIAN SCHOOL, BAHRAIN

TARANG – 2015 (RESULTS)

The Indian School continues to be abuzz for the third day as students participated in various events of TARANG 2015. Yesterday evening witnessed the amazing students showcasing their skills in the English and Hindi Poem Recitation Competitions for levels C , D and A , B respectively. The students of levels A and B proved their versatility in Mono Act Competition.

Grace, elegance, purity, tenderness and expression were exhibited as the students took to the stage in Bharatanatyam and Folk Dance Competitions for levels A and B. Bharatanatyam is one of the most popular and widely performed Indian Classical Dance forms. The confluence of the basic elements of 'shruthi, 'swara', 'raga' and 'tala' was experienced by the audience, as the students proved their finesse in Carnatic Music.

Social, ethical and environmental issues were highlighted by the students in the Mime Competition for levels C and D. The students communicated their message through action, facial expression and music. Talented and promising singers left the audience spellbound with their melodious voice in Light Music {English} for boys and Light Music{ Hindi} for girls, of all levels.

The synergy of the students was evident as they swayed to the soulful Arabic music in the Arabic Dance Competition.
