CIRCULAR- 34

Tdap Vaccinations for the students of Classes VIII & IX – Updating of Details
(REMINDER -3/Ref: Circular 49, dated 07.12.2020, Circular 21, dated 06.06.2021)

Dear Parent,

Greetings!

We would like to remind you once again regarding the **Tdap** vaccination for your wards and necessary action.

The supplementary vaccination dose (Tdap booster dose) is normally administered by the Ministry of Health through schools when the **child is in Class VIII**.

Due to the prevailing situation, as per the guidelines from the Ministry of Health, parents whose wards are not vaccinated, are requested to administer the vaccine to their ward(s) from their respective health center at the earliest. After the vaccination, all the parents are requested to give the details of vaccination to the school for updating the records, as it is a mandatory requirement.

The details of the TDAP Booster dose vaccination can be provided to the school through the Google form available in the link:

Best regards,

V R Palaniswamy
Principal
