Tdap Vaccinations for the students of Class VIII

Dear Parent,

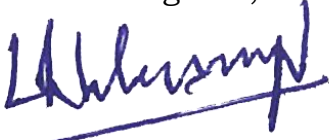

Greetings!

The supplementary vaccination dose (Tdap booster dose) is normally administered by the Ministry of Health through schools when the **child is in Class VIII**.

Due to the prevailing situation, as per the guidelines from the Ministry of Health, parents are requested to administer the vaccine to their ward(s) from their respective health center as soon as possible. **After the vaccination, all the parents are requested to give the details of vaccination to the school for updating the records, as it is a mandatory requirement.**

The details of vaccination can be provided to the school through the Google form available in the link <https://forms.gle/8y5ysKU5abjEDp9g7>

Best regards,

V R Palaniswamy
Principal
