Registration for TabbieMath

Dear Parent

We are pleased to inform you that we have registered with TabbieMath, an educational e-platform, which provides extensive practice materials in mathematics for the students of classes IV to XII. This software contains thousands of questions with answers, in mathematics, which cover CBSE and all other curricula. It also helps us to compile quality practice materials and assignments for students.

The teachers of each class will be compiling the assignments for each topic and posting in the student portal which the students those who have registered with TabbieMath can access through the login id provided. TabbieMath will enable students to avail quality assignments which will motivate their interest in the subject and enhance their skills in mathematics.

Students can register for TabbieMath by using the following steps:

Step 1 - Go to www.tabbiemath.com

Step 2 - In the home page under the section **For Schools**, click on **Register Students**

Step 3 - Enter the required details in the registration form and use the school code as “**champsb**”

Step 4 - On successful completion of the registration, login details of the students will be sent to the email id provided while registering.

Kindly encourage your ward to register with TabbieMath and make use of this opportunity which is absolutely free of cost.

With best regards

V R Palaniswamy
